1. 45-Day Return Window for Clothing

At ShopSphere, we want you to feel confident in your wardrobe. All apparel, dresses, shirts, pants, jackets, and footwear qualify for an extended 45-calendar-day return window starting from the confirmed carrier delivery date (extended from our standard 30-day store policy).

2. Condition Requirements for Clothing Returns

Returned clothing must pass inspection by our quality control warehouse before refunds or store credit are issued:

- Items must be unwashed, unworn, and unaltered in original condition.
- Original garment tags, brand hangtags, care labels, and barcode stickers must remain securely attached.
- Items must be completely free from perfume, body odors, deodorant stains, pet hair, smoke, or makeup marks.
- Footwear must be tested strictly on indoor carpeted floors. Shoes returned with scuffed soles or without their original branded shoebox will be returned to customer.

For health and sanitation standards, the following items are strictly final sale and cannot be returned or exchanged:

- Underwear, boxers, briefs, bras, and shapewear.

We provide 100% free return shipping for size and color exchanges under our 'Perfect Fit Guarantee'. One free exchange is permitted per clothing item. If the replacement size is also unsuitable, the item may be returned for store credit or refund.
